

Instructions for candidates and System Requirements

- **Once you receive the link in your email, kindly grant webcam and clipboard permissions on the pop-up.**
- Once you start the test, it is recommended to pursue it in one go for the complete duration.
- **The Test is fully proctored.**
- **Do not move out of the test window, switch tabs, or minimize the browser** during the assessment. Such activities will be marked as **suspicious** and may affect your evaluation.
- **Please ensure you have a soft copy of the Resume to be uploaded**
- Do not move away from the test window until the test requires you to do so.
- Ensure you have an **uninterrupted internet connection** during the test.
- Check for power backup and battery life to avoid any glitches due to power loss.
- The lighting in the room must be adequate, and your face must be visible.
- **You must use a functioning webcam.**
- No one else can be in the room with you.
- No dual screens/monitors.
- Do not leave the camera.
- No use of additional applications or the internet.

System Requirements:

- Well-functioning computer system.
- **Working Webcam**
- Min. 5 MBPS internet speed per PC.
- **Updated Google Chrome.** Note: IE is not supported.
- Power backup for the computer system during the Exam.
- **Disable antivirus software to avoid any block of service during the test.**
